ATLANTIS WORLDWIDE, LLC HAS AGREEMENT WITH MID-ATLANTIC GROUP NETWORK TO PROVIDE RESOURCES TO ASSIST IN THE SALE AND ACQUISITION OF PRE-OWNED DIAGNOSTIC IMAGING EQUIPMENT

Yonkers, New York, January 13, 2012: Atlantis Worldwide, LLC, a leading full-service provider of pre-owned and refurbished diagnostic imaging systems and maintenance services, is pleased to announce a two year agreement with MAGNET. Mid-Atlantic Group Network of Shared Services (MAGNET) is one of the largest non-profit cooperative group purchasing and shared services organizations in the country.

Since 1993 Atlantis Worldwide has been providing hospitals, imaging centers, ambulatory surgery centers and private clinics with high quality used and refurbished diagnostic imaging systems such as MRI, CT, C-Arms, PET/CT, Digital X-Ray, Mammography and Interventional Radiology as well as service contracts. Atlantis provides our customers with a “Complete Project Management” approach which includes consulting on planning for and choosing appropriate equipment, innovative financing options, site planning and construction, de-installation, and installation and service contracts at significant cost savings. With our 10,000 square foot warehouse and corporate facility close to New York City, Atlantis holds inventory and maintains quality control of refurbished products.

Jeff Weiss, CEO of Atlantis remarked “the challenges of declining re-imbursements and lower capital budgets are requiring healthcare providers to look at the opportunity of purchasing quality refurbished diagnostic imaging systems to upgrade existing technology and provide additional capacity.” Atlantis’ staff is deeply experienced in the both the radiology equipment arena as well as on the business side of providing imaging services. Weiss continues: “our focus of providing Sensible Solutions for Refurbished Radiology will open up enormous opportunities for members of MAGNET to improve radiology services at affordable prices.”

“With the decision to accept Atlantis Worldwide as a provider of pre-owned diagnostic imaging equipment for our members, we fill an important niche in our portfolio in radiology”, said Steve Duke, Vice President of MAGNET. “Their 19 years of experience providing excellent, pre-owned and refurbished imaging equipment comes at a time where challenges to the bottom line has been felt by all in healthcare. Atlantis Worldwide, will not only assist our members, identify and acquire pre-owned diagnostic imaging equipment, but act as a resource to sell their existing imaging system, provide lower cost imaging services and provide a turnkey project management solution for our

members seeking radiology solutions. They will help our members identify ways to improve their imaging technology services for their referring physicians and patients in a cost efficient way.” Mr. Duke added, “What differentiates MAGNET from other GPO’s across the country is our unique approach to business and our continuous endeavor to increase the sophistication and level of our services as part of our commitment to our members. Atlantis Worldwide shares our pledge to provide quality products and services, and will take positive action in the fight to reduce health care costs. We are confident that Atlantis Worldwide will impart their unique assets to build a solid foundation for mutual success.”

About MAGNET

Mid-Atlantic Group Network of Shared Services Cooperative(MAGNET) is one of the oldest, largest and most experienced shared service organizations in the country. MAGNET, founded in 1979, is the “Other GPO” serving through its GPO member groups approximately 9,500 providers. The groups offer healthcare providers MAGNET vendor contracts that fill the need for delivering quality patient care at the best possible pricing. The member groups are Joint Purchasing Corporation (JPC), Creative SourceConcepts, Inc. (CSC), Connecticut Hospital Association Shared Services Program (CHA SSP), Hospital Central Services Cooperative, Inc. (HCSC), and Southwest Ohio Health Care Affiliates, Inc. (SOHCA), and its newest member PhyndUS™.

JPC/CSC

Joint Purchasing Corporation (JPC) was established in 1992, and along with its subsidiary, Creative Source Concepts (CSC) are founding members of MAGNET. They proudly extend the MAGNET developed vendor cost saving contracts that meet the continuing demand of facilities and providers for quality care at affordable costs.

CHA SSP

The Connecticut Hospital Association (CHA) Shared Services Program (SSP) is one of the oldest hospital association-based programs in the United States. Since 1964, CHA SSP has added MAGNET contracts to its portfolio of customized, flexible programs to fit members’ individual needs.

HCSC

Hospital Central Services Cooperative, Inc. (HCSC) is a non-profit cooperative. Founded in 1969, HCSC is well into its fifth decade of service to healthcare. HCSC strives to provide MAGNET contracts to generate costs savings for its members and improve the quality of healthcare.

SOHCA

Southwest Ohio Health Care Affiliates, Inc. (SOHCA) is a wholly owned subsidiary of the Greater Dayton Area Hospital Association (GDAHA). The group currently specializes in local contracts that result in better pricing being negotiated than currently available through participant facility's national group contract affiliations.

PhyndUS™

PhyndUS™ is a vendor supported, interactive facilitator search site focusing on the symbiotic relationship between physicians/medical facilities, consumers/patients and product/service companies. PhyndUS™ is built around a national registry of physicians and medical facilities, a Physician Buyers Group and a separate Consumer Buyers Group.
