Announcing an Agreement Between Stance Healthcare Inc. MAGNET Cooperative

Bruce Kennedy, President of Stance Healthcare and Steve Duke, V.P. of MAGNET are pleased to announce a new agreement under which Stance seating and case good products will be available to MAGNET Participating Healthcare Facilities.

MAGNET Cooperative, is a healthcare GPO comprised of six regional GPOs: AMR, CHA SSP, HCSC, JPC/CSC, MONOC and SOHCA. This agreement offers MAGNET Participating Healthcare Facilities a wide array of high quality, health specific seating and case goods. For Stance, it's an exciting opportunity and confirmation that the traditional value of hard work, respect for others and an understanding of what they need are still important virtues today.

Questions regarding the new agreement may be directed to Steve Duke at MAGNET (sduke@magnetgroup.com or 717 763-5555) or to Bruce Kennedy (bruce@stancehealthcare.com or 877 395-2623).
