MAGNET AND TISSUESEAL , LLC ANNOUNCE NATIONAL GPO CONTRACT

TOPICAL SKIN ADHESIVE CONTRACT PROVIDES HEALTHCARE MEMBERS WITH A CLINICALLY SUPERIOR AND COST EFFECTIVE PRODUCT FOR WOUND CLOSURE

Ann Arbor, MI - January 1, 2011 – TissueSeal, LLC is pleased to announce a three-year Agreement with Mid-Atlantic Group Network of Shared Services, also known as “MAGNET,” one of the largest non-profit cooperative group purchasing and shared services organizations in the country.

The three year contract gives the opportunity for MAGNET participating healthcare facilities to provide their patients with Histoacryl® topical skin adhesive. The FDA approved Histoacryl® is the proven choice for wound closure with over 40 years of clinical experience and more than 1000 articles in clinical publications worldwide.

About TissueSeal LLC

TissueSeal, LLC, based in Ann Arbor, MI, is the seller and distributor of Histoacryl® topical skin adhesive in the United States. Histoacryl® is an FDA approved topical skin adhesive that is stronger, dries faster and is the most cost effective option for skin closure today versus the competition. Histoacryl® is available in either a translucent clear or blue depending on the needs of the patient. To learn more about Histoacryl®, please visit www.tissueseal.com.

About MAGNET

MAGNET, founded in 1979 serves approximately 11,000 providers, including hospitals, alternate care facilities, physician practices and clinics with a contract portfolio that includes equipment, services, commodities and a newly emerging area of niche/boutique (innovative and cost-reducing) products. MAGNET member organizations include: Connecticut Hospital Association Shared Services Program, Wallingford, CT; Hospital Central Services Cooperative, Allentown, PA; Joint Purchasing Corporation/Creative Source Concepts, New York, NY; Southwest Ohio Health Care Affiliates, Dayton, OH and PhyndUs, Newfoundland, PA. To learn more about MAGNET, please visit www.magnetgroup.com.
